Our Strongest Values---Munsing Underwear and the Black Cat Hose!

There is no guess-work when we say that Munsing Underwear and Black Cat Hosiery are in a class by themselves. There are no goods that become popular without merit. They are the kind that are different—different because they have features about them that others do not have.

MUNSING UNDERWEAR

Is the only Underwear with plaited seams. It's the only kind that has elastic bands at closing of garment, the only kind that has a double shield seat. These goods are made of double and twist yarns, making them capable of outwearing nearly two suits of other makes. Price no more than for the poorer kinds.

Children's Munsing Union Suits in all sizes at only 50c each.

Children's Wool Vests and Pants, same make, at only 50c each.

Ladies' Munsing Underwear in Cotton Fleece Vests and Pants for 50c; in Wool Vests and Pants for \$1.00.

Ladies' Munsing Union Suits in white, open across bust or half open up and down front, for only \$1.00 each.

Ladies' Munsing Union Suits in natural wool for \$1.50, \$2.00, \$2.50 and \$3.00, according to quality.

Nearly every style of the Munsing Underwear is represented in our stock—in fact, we are carrying the largest line of Munsing Underwear in the state.

OUR OFFER.

If you will buy the very best Union Suit that you can get, then take a

Munsing at the same price and wear one as much as the other, and if the Munsing Suit does not outwear the other

er Suit you can have the Munsing free and we will pay for the other Suit. We know what our chances are of paying for the other suit.

BLACK CAT HOSE.

We hardly realized what Black Cat Hosiery meant to our trade until last Summer we were out of the sizes for a few weeks. It did not take us long to find out that other kinds would not do at all. The outcome is that we have increased these lines and are going to give our trade what they want.

No. 15 is the heavy hose for Boys, called the "Leather Stocking." Have linen knees heels and toes and a linen splice at instep. Price 25c per pair.

No. 4315 is the Black Cat Merino, and it's here that you get great value for the price. A Wool Stocking for Boys or Girls that will outwear heavy cotton hose, at only 25c per pair. This is a Hose that you cannot afford to pass.

The Tragedy of Port Arthur.

The truth about war cannot be told. It must be seen. The living history of Port Arthur is no longer veiled in the mist of words, words, words, but the sublime panorama itself, sublime because it is the actual scene of sublime daring, heroic sacrifice, and diabolical ingenuity, will be unveiled at the exhibition of Lyman H. Howe's new life-orama in Barre opera house on Thursday, Sept. 14. It is a spectacle that attracts because here clashed the resources of two empires; here the heart throbs of great people raced like the wind from two seas swept into a typhoon of gore and grief. Here are the shattered ruins of iron chains of forts—once calm and dominating in their mighty strength, and which even now when reduced to fragments, seem majestic. Here is the vast plain, silent but alive, burrowed and furrowed with trenches, the gloomy fortress strewn with dismembered cannon. Here in brief, is the fearful, unspeakable atmosphere and carnage of war's inferno—an inferno that defies description. Here in brief, is the truth of war as it is.

FOR FIVE YEARS.

All That Time Louis and Adelaide de Bonis Were Taking Cloth.

Fall River, Mass., Sept. 13.—Louis de Bonis, a barber, and his wife, Adelaide, who is employed as a weaver in Granite mill, No. 3, were arrested yesterday on a charge of stealing cloth from the mill. The police and mill officials expressed the belief that the De Bonis couple are members of a band who have been systematically stealing from the mills. Cloth to the value of several hundred dollars was found in the house where the couple lived.

It is believed that the alleged stealings have covered a period of more than five years. For some time a close watch has been kept by the mill management, but it was not until yesterday that suspicion was directed toward Mrs. de Bonis. When her house was searched by the police an immense quantity of cloth, most of it of a fine quality, was found.
